## WE'RE BUILDING BETTER BANKING FOR YOU!

Thank you for your  
patience—exciting changes  
are underway in Clarksville.

---

## PARDON OUR PROGRESS

### **A New Look. A Better Experience. The Same Hometown Credit Union.**

Big changes are underway at your Clarksville branch! We're excited to renovate our lobby into a modern, welcoming space—designed with you in mind. Expect a fresh layout, better comfort, and an atmosphere that makes every visit even more enjoyable.

### **A True Hometown Collaboration.**

We're teaming up with **Koetter Construction**, another Southern Indiana original founded in 1954. Like us, they've grown alongside our communities for over 70 years. This project is a real hometown partnership between two trusted local names.

### **Drive-Thru Update.**

The drive-thru at our Clarksville branch will be closed during the renovation to help us finish faster and create a better workspace for our team.

We apologize for any inconvenience. If you need help entering the temporary lobby, please call **(812) 258-5050** — we'll gladly assist you at your vehicle. You are also welcome to visit our State Street branch for drive-thru service.

### **Your Front-Row Seat to the Upgrade.**

Thanks to loyal members like you who trust us every day, this renovation is now happening. Our branch stays open in our convenient temporary lobby, so you'll still get the same friendly service and hometown care—while watching your credit union level up in real time. We're thrilled to share this renovation with you!

Thank you for being part of the One Vision family. We can't wait to welcome you to the refreshed space soon.

Follow us on social media for real-time progress photos, updates, and more! Questions? Reach out—we're here for you!

Warm Regards,  
Your One Vision Family
